

# CHINA MARITIME WEEK

**CHINA MARITIME WEEK** will launch in Hong Kong from **February 27 to March 2** in **2012**. The event will feature a major international maritime exhibition plus a range of conferences covering vessel operations, the marine environment, ship financing, shipbuilding, ballast water treatment, vessel enclosed spaces, tugs and offshore vessels.

**CHINA MARITIME WEEK** is aimed at developing a broad range of forums, events and networking opportunities focused on Hong Kong's role as a maritime gateway to China. The keynote social and networking event will be a charity dinner in aid of seafarers organised by the Sailors' Society of UK and the Hong Kong Shipowners Association.

**The current event schedule is:**
